Examiner: Robert D. Harlan

Title: Polymers Comprising in Their Skeleton an
Endo Ethylenic Unsaturation, and
Preparation Processes Therefor

Confirmation No.: 4289

RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In complete response to the Restriction Requirement mailed June 27, 2008, Applicants elect Group II, claims 18-29 and 31 for prosecution in the present application. Applicants reserve the right to file divisional application(s) based on the non-elected claims.

Please note that the undersigned attorney for Applicants received a voice mail from Examiner Robert Harlan on July 2, 2008, stating that the species election for the instant Restriction Requirement should be disregarded and therefore no species election is required. Accordingly, as directed by the Examiner, Applicants have not made an election of species, and this response should be considered complete.

Although it is believed that no fee is necessary, the Director is hereby authorized to charge any appropriate fees that may be required by this paper, and to credit any overpayment, to Deposit Account No. 23-1925.

If any questions remain, the Examiner is invited to contact the undersigned at the number given below.

Respectfully submitted,

BRINKS HOFER GILSON & LIONE
